

ACCESSIBILITY

Minerva Boat Company is easily accessible by car, public transport, on foot or by bicycle.

We are on the corner of Coupure Rechts and Lindenlei (at the confluence of the Leie and the Coupure).

This is close to the city ring (the small ring around Ghent), which means that we will continue to be easily accessible even after the introduction of the new mobility plan. Take the Godshuizenlaan (part of the city ring).

Our address is: Coupure Rechts 2A – 9000 Ghent
