

Boat Rental Company of the Year

Minerva Boat Company

Ghent, Belgium

www.minervaboten.be

See a side of Ghent that's impossible from land by renting a beautiful deluxe boat from Minerva Boat Company– the perfect way to explore the city's rolling gardens and painter's villages. After experiencing a rush like no other up the Leie River, a Minerva boat will give you unique access to explore the historic centre of Ghent, from the water. No sailing experience or license is required, meaning all travellers over the age of 18 are welcome to tour the city's winding canals, from a few hours to a whole day.

The boats on offer range from glorious sloops able to hold 10-12 people, to gorgeous five-person Cabrio boats, for the less confident sailor. Minerva Boat Company shows impressive attention to detail by ensuring you are safe and comfortable at all times, starting with a professional induction and explanation of the boat's features, and the add-on options of wine and a rentable icebox. This combination of exceptional customer service and unparalleled luxury was the key factor in our judge's decision.
