

Minerva Boat Company

www.minervaboten.be

Ghent, Belgium

Rent a magnificent, deluxe boat from Minerva Boat Company and start your break in Ghent by marvelling at the city's beautiful landscapes in comfort and style. A Minerva boat allows you to explore the delicate architecture and lush, green pastures along the Leie River, seeing a different, usually inaccessible side of the city. Minerva Boat Company's Cabrios and Sloops are even able to gain exclusive access to Ghent's historic centre, which is not possible with standard boats. All the vessels are beautiful and elegant, and offer an unforgettable rush like no other.

The company happily caters to everyone, regardless of previous sailing experience as no license is required. The boats on offer range from great sloops able to hold 10-12 people, to the more modest but still magnificent five-person Cabrio boats, perfect for the less confident sailor. Minerva Boat Company also have a dedicated, friendly and knowledgeable staff that ensure your safety and comfort at all times, and give you the option to choose exactly how long you want to spend on the water, from a few hours to a whole day.
